S - Spot Clean, using a mild, water-free solvent or dry cleaning product. Carefully follow instructions on such products. Clean only in well-ventilated room.

W - Spot clean, using the foam only from a water-based cleaning agent, such as a mild detergent or non-solvent upholstery shampoo product. Apply foam with a soft brush in a circular motion. Vacuum when dry.

WS - Spot clean this fabric either with a mild solvent or a water-based cleaning agent. When using a solvent or dry cleaning product follow instructions carefully and clean only in a well-ventilated room. You may also use an upholstery shampoo product or the foam from a mild detergent.

X - Clean this fabric only by vacuuming or light brushing to prevent accumulation of dust or grime. Water-based foam or solvent-based cleaning agents of any kind may cause excessive shrinking, fading, or possible pile distortion.

REVOLUTION: Revolution fabrics have outstanding cleanability properties. Fabric is available to Mayo customers who wish to purchase fabric by the yard, and Fringe may also be purchased by the yard (sold in one yard increments only.) Be sure to visit mayofurniture.com for the latest update information.
